

# Signal Mutual's Longshore & MEL Insurance

Protective Coverage You  
Can Really Count On

## PROVIDER OF LONGSHORE COVERAGE

The Longshore Coverage under SafeShore is provided by Signal Mutual Indemnity Association Ltd. Signal is the largest provider of Longshore coverage in the United States, and is approved by the U.S. Department of Labor to provide Longshore benefits.

## REQUIRED COVERAGE

Longshore coverage is required for most employers in the maritime industry.

## ADDITIONAL COVERAGE OPTIONS

- Outer Continental Shelf Lands Act
- Defense Base Act – in non-war hazard locations
- State Act Workers Compensation (in all states but monopolistic)
- Maritime Employers Liability
  - Up to a \$5,000,000 limit
  - US or Worldwide Coverage
  - DOHSA, In Rem, Gulf of Mexico, and all other needed MEL endorsements
  - Option to endorse to cover work on owned/operated vessels

## TARGET ACCOUNTS

Open to Longshore employers in all classes except for Diving Contractors, Ship Breakers, and Demolition by Explosives.

## COMMISSION

Accounts are quoted at 7.5% Commission on the Longshore and MEL sections.
