

From Signal Mutual

OVERVIEW OF AVAILABLE SAFETY SERVICES

Thank you for your interest in the SafeShore Program. This program is a Longshore workers' compensation program backed by Signal Mutual Indemnity Association, Ltd. It supports waterfront employers whose limited exposures are not eligible for full entry into the Association. It provides full statutory Longshore Act coverage backed by the unmatched financial strength and service of Signal Mutual.

SIGNAL MANAGEMENT SERVICES, LLC

Loss Control Services

Safety Plans: Signal can assist with formal written Safety Plans including procedures, forms and checklists to fit your operations.

Education & Training: Signal can assist with Back Injury Prevention; Slips/Trips/Falls; Accident Investigation; Hazard Recognition; Confined Space; and OSHA 10-30 Hour.

OSHA Regulatory Compliance: Signal can conduct mock OSHA inspections to provide insight regarding compliance with complex Federal, State, and Local regulations.

Incident Investigation: Signal can conduct in-depth investigations to determine root cause(s) and recommend appropriate actions.

Fleet Safety: Signal can assist in developing and auditing a formal written Fleet Safety Program with procedures, forms and checklists to fit your operations.

Ergonomic Assessment: Signal can conduct in-depth ergonomic assessments of your jobs to determine stressors affecting your incidents.

Industrial Hygiene: Signal can evaluate potential occupational health issues in the work environment that could result in occupational illnesses or disease.

Environment: Signal can evaluate environmental policies for compliance.

Security: Signal can evaluate security policies and recommend best practices.

Safety Training

All Covered Employers are invited to free safety seminars addressing timely maritime topics that are scheduled throughout the year for executives, managers, and hourly employees.

Signal Safety Resources provides access to their online resources to assist your company in the improvement of your safety management system.

Online Resources

The website contains information such as:

- * Safety Meeting Topics: "Focus on Safety"
- Operational Alerts *Training Aids, Presentations, JSA's
- * Wellness and repetitive motion information
- * Safety Self-Audits *Solutions at Work
- * Online Streaming Safety Videos *And more

Although this list of services may not be all-inclusive, upon the completion of an onsite loss analysis with the Signal Safety Manager, it may lead to possible additional customized safety services.
